Product Description

B&P SNACK ROUTE ALUMINUM HAND CART

Developed for the Snack Food Delivery Professional.

B&P Snack Route Cart features an extra-long noseplate to reduce the number of trips when carrying boxes and cartons. Extra-long tubular aluminum nose extension is perfect for use with oversized packages (folding nose has 80 lb. capacity).

Ergonomically designed U-Loop Handle allows for easy one-handed steering.

Lightweight aluminum construction reduces fatigue and is built to last. Assembles easily. 2 Year Limited Warranty.

4-Wheel Snack Cart easily converts to platform truck with 8" ProFlex balloon cushion wheels and 5" rubber swivel casters with wheel brakes.
