Product Description

The Salesmaker Maxx1000 features an unbelievable 1,000 lb. weight capacity with multi-level adjustment. for easy handling of super loads. The Ferno Salesmaker Maxx1000 heavy duty cart features true independent legs with multi-level

adjustment, six inch wheels, dual-hand controls, and a distinguished durable gloss-black powder-coated finish. Salesmaker's Maxx1000 collapsing equipment cart allows you to transport equipment weighing up to 1,000 pounds. Grips are available on the side of the Maxx1000 allowing assistance from other personnel when moving weight between 400 and 1,000 pounds. Can easily be lowered in 4" increments. From its normal 33" height all the way down to only 14" off the floor, this incredible equipment handling cart makes it much easier load, unload and haul on many levels. 11' Restraining Strap included.
